

Welcome to Year 4

Lots of things will be the same in Year 4 . . .

but a few things will be a little different

My new teacher is Mrs McNally. She has two teenage children and loves dogs. She loves walking and reading but not at the same time!

Everyone will learn to play the *chalu~~m~~eau clarinet*

When you arrive at school, come *straight in* through the door on the KS2 yard . . .

You'll learn to speak a little bit of *French*

Hang up your coat and PE bag in the cloakroom and *come into class* . . .

You will be enrolled as a *Mini Vinnie* and learn about how you can turn *concern into action*.

There will be an *activity* ready for you on the board each day

You will participate in the Sacramental Preparation Programme which includes the Sacraments of *Reconciliation* and the *Eucharist*

Home-work is given out on a Friday and returned the following Thursday. You will also have a school *reading book* to share at home and which you'll need to bring to school *every day*

In the Autumn term we will study *Ancient Greece* and take part in workshops provided by Durham University

If you wear *glasses*, you'll keep them in your tray in class

In Year 4 we have '*Amazing Assistants*' so everyone has a special job to do
