

Dear Parents,

We understand that this a challenging time for everyone and that the practicalities of home learning may be difficult for a wide range of reasons. Please be assured that there are no expectations on the quantity of work that is achieved and that the guidance and suggested activities set out below have been chosen to support your child in home learning and are not there to add additional pressure or stress. Please complete as much or as little as you can and once your child returns to school, the staff will ensure they are fully supported in catching up on any missed learning.

We love, respect and value each other

Y4

Lockdown Learning

Week commencing 19th October

Please find below a list of suggested activities for the children to complete for the rest of this week. All children should have a login and password sheet to give them access to any online resources. They have also been provided with a selection of CGP books which they can complete if they are unable to access any online resources.

If you have any queries or would like to share any of the children's work, please send it to the Y4 email address y4-stgodrics@durhamlearning.net

Ongoing Activities

Keep practising those tables and spellings using Times Table Rockstars and Spelling Shed!

<https://play.ttrockstars.com/auth/school/student/65453>

<https://play.edshed.com/en-gb/spelling>

Check your Maths Shed lesson allocations for games related to this week's maths topics

Thursday 22nd October 2020

Maths	English	PE
Complete White Rose lesson for Y4 -Autumn Block 2 - Addition and Subtraction – Checking Strategies	Plan a description about a kangaroo's average day at Brolga's hospital. Your focus is to include apostrophes for single possession and apostrophes for plural possession See if you can collect adjectives, adverbs and verbs to describe the kangaroos.	Can you come up with your own 10 minute warm up that we could use in a PE lesson?
Complete subtracting activity in CGP book pg 9		We have been doing athletics so think about what muscles you normally use and which exercises we can do to make sure we are warming up correctly.
Look at your allocated Maths shed assignment for the assignment Y4 Subtraction homework 16.10.20	You can watch the clip again by copying the link below.	
Optional Challenge – If you wanted to have another go at		

the maths code breaker challenge from yesterday. I know it had lots of you frustrated!
