

# Linking to your Online Shop

## Instructions for St Godric's School

We recommend that you display the school password on your website, then create a link from your website to The School Uniform Specialists homepage:

[www.theschooluniformspecialists.com](http://www.theschooluniformspecialists.com)

**Password: GODR606**

Parents should be advised to make a note of the password, then follow the link to our website where they can enter the password in the box circled in red below.

Once they have entered the password, they will then be asked to register an account, after which they will be able to access the St Godric's School online shop
