We love, value and respect each other.

February 26th 2021

Dear Parents,

I hope that you and your family all had a lovely half term and enjoyed a well-earned rest from home learning, screens, school drop off and Teams calls.

The announcement on Monday by Mr Boris Johnson was what we all hoped for. We are all delighted that we will be able to welcome all of our children back to school again on Monday 8th March and that our school community will be complete again. The teachers are looking forward to teaching children face-to-face once again and enabling them to continue with their learning.

When the children return to school, please can you ensure that:

- They bring with them all of their books in which they have been completing home learning tasks. This will enable the class teachers to see where the children are with their studies.
- Only water bottles, wipe clean lunchboxes, homework and reading books are brought into school.
- All parents/grandparents adhere to the one-way system and wear masks when collecting/dropping off their child/children.
- People do not remain on the school site and leave immediately.
- Any IT equipment that has been borrowed is returned to school.

Thank you for your support with this. This will continue to ensure the safety of all of our children and the school staff.

We are in the process of arranging times for parents and staff to discuss each child's progress before the end of term. Further details will follow. In the meantime, I would like to thank you all for your continued support over the last few weeks. It has been greatly appreciated.

I would like to end this letter with the prayer that Mrs Wilmore read to the children at our Celebration Assembly this afternoon. I feel that it truly reflects the optimism that many of us have currently: lighter nights, lighter mornings, the vaccine implementation and the promise of a new 'normal'.

"Let all that you do be done in love." (1 Corinthians 16:14)

For perfect love, which comes from Christ, casts out all fear.

That's what gives us power to move forward, propelled with His strength, surrounded in peace, eyes on the One who gives us breath each day.

All that you do.

All that you say.

All that you stand for.

Let's do it with love,

Let's do it together,

Amen.

With all good wishes

Yours sincerely,

CMCraig
