We love, value and respect each other.

1st April 2021

Dear Parents,

I would like to thank you for your support, help and understanding over the last term. It has been wonderful having all of the children back in school together and once again they have made us so proud with their attitude to their learning.

The teachers and teaching assistants were so impressed with the work that the children brought in. This has been great in enabling us to see what the children have managed to complete and where to take their learning as we start the Summer Term. During this week, class teachers have enjoyed discussing with you your child's progress and felt that the conversations were extremely useful.

You will see that in addition to this letter, you have been sent a letter about our teaching of Relationships and Sex Education. I know that you will read this and access the Parent's Portal on the Ten Ten website. Please be assured that the teaching is age appropriate. If you have any questions after looking at the Parent Portal, then please do not hesitate to contact us.

The children have all received an Easter bag. This has very kindly been set up by the Friends of St Godric's and it is a lovely treat for the children this Easter. They were all very excited to receive them. We are grateful to the Friends for such a thoughtful gesture.

Thank you too for all your kind donations of tins. Those of you who follow us on Twitter will have seen the fantastic collection of tins that we took to support the SVP Foodbank in Newcastle. Your gifts will go to help those families who are in great need at this time.

Whist many schools have already finished for Easter; it has been lovely to have the children in school during Holy Week. We have had many opportunities for liturgical prayer during the course of the week. This was completed today with a beautiful Easter liturgy which all of the children shared throughout the school through Teams. It was very special having Father Colm Hayden joining us too. Personally, I find that sharing this week with the children in school is very spiritually uplifting. I hope that we are all able to benefit from this together next Easter.

Thank you once again for your cooperation and support over the last term. These are challenging times and we have all had to make allowances for this. Your understanding and partnership have been invaluable. I hope that you all have a relaxing, healthy and happy Easter holiday and look forward to the children returning to us on Monday 19th April.

May God bless you all.
With all good wishes

CMCraig
