

# Welcome to Year 5

Lots of things will be the same as Year 4 but a few things will be a little different. If you need to contact Mrs Oakes, please use our class email address: [Y5-stgodrics@durhamlearning.net](mailto:Y5-stgodrics@durhamlearning.net).

My new teacher is Mrs Oakes. She has two children (Jen and Euan) and lots of pets! Her favourite things include reading and gardening.

Everyone will learn to play the

ukulele

When you arrive at school, come **straight in** through the door on the KS2 yard...

Hang up your coat and PE bag in the cloakroom and **come into class**...

There will be a maths **activity** ready for you on the board each day.

You'll learn to speak a little bit of **French**.

If you wear **glasses**, you'll keep them in your tray in class.

In the autumn term we learn about **Vikings** and **Space**.

In the spring term we learn about **materials** – lots of our lessons will be linked with this topic.

In the summer term we will go on trips to Butterfly World and Ushaw College.

**Home-work** is given out on a Friday and returned the following Wednesday. You will also have a school **reading book** to share at home and another to keep in your tray at school.

In Year 5 we have '**Happy Helpers**' so everyone has a special job to do and we earn marbles for whole class rewards.
